Step 1

Visit the Farm

Schedule a volunteer tour to come and visit the farm to explore the different options available for our volunteers. You will get a chance to see how we operate and the different roles you may be able to participate in. During the tour we will work out availability and responsibilities.

Step 2

Fill Out Paperwork

You will need to complete three items before you can begin. Download a copy and fill out.

1. [Application](#)
2. [Waiver](#)
3. [PA Child Abuse](#) Or file directly online here:

<https://www.compass.state.pa.us/cwis/public/home>

We also have physical copies at the farm that you can fill out in person. If doing digitally please send the completed forms and clearance confirmation to Farm-Coordinator@flinthillfarm-edcenter.org

Step 3

Begin

For most positions there will be a period of shadowing during your first few weeks. We like to orient our new volunteers with more seasoned ones who are doing similar tasks to get our new people used to how we operate.
