Welcome to Flint Hill Farm Educational Center

Welcome to our farm, and we are so glad you are here to help us! Enclosed you will find information describing what you will need to be prepared for your time with us.

Important Facts:

- Volunteers are not paid and that is because they are priceless! Be sure to thank them every time you see one and help them feel welcome.
- All duties on the farm must be performed regardless of weather conditions, so
 please remember to watch the forecast the night before in order to come dressed
 for the weather.
- Teachers, please know that the work we have available for your students is fun but challenging. Please be prepared to support your student emotionally as well as during task completion.
- Students please know that the work your teachers will be doing is fun but challenging!! Please know that they are there to help you and if you have any questions just let them know.
- All individuals on the farm are here to help each other, and if you have any farm related questions please feel free to ask the management.
